CONSIGNMENT

Est 2014

Items are accepted by appointment only. We can look at up to 25 items per appointment. We ask that they come in on hangers, clean, ready to be worn (hangers are returned at time of appointment). For furniture pieces or home decor items you would like to consign, please e-mail or call us with a description of your item before bringing it to the store.

There is an annual consignment fee of \$25. This must be paid by cash or check at the time of your appointment.

Items are displayed for a 60 day selling period. If you would like your unsold items returned to you, contact us before the end of your 60 day selling period to arrange your pick up. After 80 days unsold items become property of Chelsea Consignments LLC, and will be discounted then eventually donated to local non-profits.

You will receive 40% of the selling price* for items that sell for below \$50. You will receive 50% of the selling price* for items that sell for over \$50. And you will receive 60% of your fine jewelry sales. You can always visit our website or ccllc.consignoraccess.com to check your inventory status and account balance anytime.

Consignor payouts are available by request, after the 10th of the month, for items that sold the month(s) prior. We always suggest calling ahead before stopping into collect. You can apply your credit to any purchase at any time. We can mail checks but we do deduct \$2.00 to do so.
